Comprehensive Ophthalmology Update **Statement of Disclosure and Conveyance of Copyright**

Please list any of the following that apply to the author(s) or families of the author(s):

- 1) corporate appointments relating to or in connection with products or companies mentioned in the article or otherwise bearing on the subject matter thereof
- 2) consultancies, stock ownership, options, or other equity interests
- 3) honoraria
- 4) patent-licensing arrangements
- 5) any other pertinent financial relationships

Please list any sources of funding/support for the article submitted:

All authors must sign to assure that the statements listed above are truthful and complete to the best of their knowledge. Additionally, by signing, the authors convey all copyright ownership, including any and all rights incidental thereto, exclusively to *Comprehensive Ophthalmology Update*, in the event that such work is published by *Comprehensive Ophthalmology Update*. This transfer includes online or electronic publication.
